Dear Mr. Newton:

In the course of its search for records pursuant to your Freedom of Information Act (FOIA) request concerning Philby-Burgess and Maclean the Department of State located one document originated by this agency and referred it to us for review and direct response to you.

We have reviewed the document and have determined that it may be released to you in segregable form, with deletions made on the basis of FOIA exemption (b)(3). A redacted copy of the document is enclosed, Tab A, as well as an explanation of the exemption, Tab B.

The CIA official responsible for this determination is Lee E. Carle, Information Review Officer for the Directorate of Operations. You have the right to appeal to the CIA Information Review Committee, in my care. Should you decide to do this, please explain the basis of your appeal.

Thank you for your patience and understanding while we were processing your request.

Sincerely,
